

AHORA SÉ MI ABECEDARIO

When you were a little kid, chances are you sang your ABCs often, and you probably enlisted your mom, dad, or other family member to help you. This assignment should bring you back in time as you sit down with someone else and have them listen to your ABCs all over again. The guide below is for that person.

- 1. Say your ABCs en español to someone else in your home who will listen to you.**
- 2. Spell the following items OUT LOUD to the other person, letter by letter. You do not need to write anything down, just spell.**

-name (example: Hoe-tah, oh, air ray, hay, ay) [Jorge]

-last name

-Spanish name

-city in which you live

-the name of the person who is helping you

-the name of a pet

-the name of any zoo animal

-your favorite class

-the name of your best friend

- 3. Have the person you practiced with SIGN the bottom of this paper IN THE BOX, and be sure to say "Gracias" to that person for sharing his or her time to you.**
